Officer **P14 JOHN P. ATKINS**Date **12/14/2015**

On Monday December 14th, 2015 I, Det. John Atkins, contacted Kevin Kramer and advised him of why I was calling, which Kramer advised that he was not aware of the recent allegations. I advised him that I would like to speak to him further at the Peru Police Department about my investigation and he advised me that would be fine. I advised him that the US Secret Service would be in town on Wednesday December 16th, 2015 at 11:00 am to conduct a polygraph examination on an unrelated case. I advised Kramer that at this point in my investigation I believe that the allegations against him were false and I asked him if he would be willing to take a polygraph. Kramer stated that he needed to speak to his lawyer before he answered and I advised him that was fine. I advised Kramer that after I speak to his attorney I would set up a time for him to come in for an interview, which he stated that would be fine.

On Tuesday December 15th, 2015 I received a voicemail from Attorney Bob Steele advising that he represents Kramer and he requested a call back. I called Steele back but he was not in the office at the time of my call. I called a second time and left Steele a message to contact me.

On Wednesday December 16th, 2015 I spoke to Attorney Steele and advised him of my investigation. We discussed the current custody case and spoke briefly about the polygraph. I advised Steele that I did not believe that Kramer is sexually assaulting Madeline, but I wanted to have Kramer take a polygraph to confirm my belief and show his innocence. I advised Steele that I wanted to interview Kramer about the allegations, which he advised that he would speak to Kramer about an interview and let me know. I thanked Steele for his time and ended the call.

As of January 12th, 2016 I have not heard from Steele or Kramer about being interviewed.
